Dear Mr Weisberg,

Thank you for the explanatory letter.

I sent you under separate cover a copy of "The Murder of J.F.K." by Judy Bonner.

Although written ex parte The Dallas Police, it does contain reproductions of source documents.

Few of the critics (Mr Garrison) possess your investigative background or intelligence

training.

Otherwise there would not have been for Bakley or his absurd "reports" or issued a subpoena for one Fred Lee Chrisman, the perpetrator of a flying saucer hoax, or used a "witness" like Spiesel.

Obviously, the penetration of Garrison's office precluded success.

Sincerely

Edward R. Williams
